Product Safety Recall

**Stanley 1913 Announces Lid Recall of
Switchback and Trigger Action Travel Mugs**

Switchback	Trigger Action
	

The following products are affected, regardless of the batch or color:

Name	Size	Product Identification Number
Switchback	12oz/354ml/ 35 cl	20-01437; 20-02363
	13oz/384ml/ 38 cl	20-02363
	16oz/473ml/ 47cl	20-01436; 20-02354; 20-02211
Trigger Action	8.5oz/250ml/ 25cl	20-02824
	12oz/354ml/ 35cl	20-02825; 20-02779; 20-02454; 20-02033
	16oz/473ml/ 47cl	20-02957; 20-02030; 20-02745; 20-02453
	20oz/591ml/ 59cl	20-02034, 20-02746

The product identification number is located on the bottom of the mug as indicated in the red circle shown above.

The products were sold online (including by Stanley 1913 and Amazon) and by various retailers during the time of 2016 through 2024.

Why is this Product Dangerous?

Stanley 1913 recently announced a lid recall of select Switchback and Trigger Action Travel Mugs (see the list above) because the lid threads can shrink when exposed to heat and torque causing the lid to detach during use, posing a burn hazard.

What to Do / Contact Information

- **Stop using the product immediately:**
Please reach out to Stanley 1913 using the contact information below for a free replacement lid that will work with the existing product.
- **Contact Information:**
